Material Request Approval

Navigate to “Material Request Approval”: Click on the “Material Request Approval” option. You can find this under the "Services" menu, specifically within the "Master Data Governance" section. The pathway to access this Page is as follows: Service -> Master Data Governance -> Material Request Approval.

The screenshot displays the Honda Employee Self Service portal interface. At the top, there is a header bar with the Honda logo on the left and navigation tabs: Home, Employee Self Service, General, Services, and Module. Below the header, a secondary navigation bar shows 'Employee Life Cycle Management', 'Master Data Governance' (highlighted with a red arrow), 'Self Service Processes', 'Workflow Approval', and 'Help'. The main content area lists three master data categories: Vendor Master, Customer Master, and Material Master. Under the Material Master category, the 'Material Request Approval' option is highlighted with a red rectangular box. Other options listed include Vendor Master (Vendor Request Status, Vendor Request Approval, Vendor Request Form, Vendor Block/Unblock Form, Vendor Block/Unblock Status, Vendor Block/Unblock Approval), Customer Master (Customer Request Status, Customer Request Approval, Customer Create/Update Request, Customer Request Data Sync (SAP)), and Material Master (Material Request Status, Material Request Approval, Material Creation). A red arrow points to the 'Master Data Governance' tab in the secondary navigation bar.
