

5 JUNE
WORLD ENVIRONMENT DAY
THEME 2016: ZERO TOLERANCE FOR THE ILLEGAL WILDLIFE TRADE

World Environment Day was established by United Nation General Assembly in 1972 ...

Theme of 2016-17

**“Zero Tolerance for the
illegal Wildlife Trade”**

Wildlife Trade

The illegal wildlife trade is one of the biggest threats to the survival of some of the world's most threatened species.

SAVE EARTH

☐ **Raise Public Awareness**

☐ **Plant a Tree & Look After it**

☐ **Encourage to Conserve**

☐ **Car Pooling Drive smart**

☐ **Reduce ..Reuse...Recycle**

☐ **Buy Energy-Efficient Products**

Blue Skies and Green Earth For Joy of Next Generation

On this World Environment Day, let us consider carefully the actions each of us must take, and then address ourselves to our common task of preserving all life on Earth.

BLUE SKIES FOR
OUR CHILDREN

I pledge to do the following :

At my Office :	At my Home :
- Will take care of water leakages, spillages and overflows. - Will dispose waste oil in proper place. - Will dispose waste in the specified Red, Yellow & Green Bins. - Will turn off lights & computers during non-working hours. - Will not waste food. - Will make use of both sides of paper. - Will encourage communications by Email instead of paper communication. - Will participate in Environmental activities. - Will promote use of energy efficient machines, equipments & appliances. - Will reduce usage of gloves, dhotis & will make resource conservation a daily habit. - Will follow 3R Principle - REDUCING the consumption, REUSING the partially used resources & ultimately RECYCLING them.	- Will save water by not letting the tap run while shaving, washing face or brushing teeth. - Will switch off all lights before leaving room. - Will switch off mains of appliances when not in use. - Will use reusable containers for lunch/food storages. - Will use towels for drying face/hands instead of paper tissues. - Will use waste water for gardening. - Will save fuel - Use bicycle whenever possible. - Will switch off the vehicle while waiting. - Will use star rated energy efficient appliances. - Will always use Jute bags instead of Plastic bags.
